### COMMUNITY

Hatch Stamping believes in sharing our values with and contributing to our surrounding communities. We work with local colleges and high schools, participating in regional, statewide and national initiatives, such as job fairs and training programs. We support local robotics teams, expanded apprenticeship programs and open our plants to tours for local universities, students and industry leaders.

### INNOVATION

Harnessing technology and building a culture of innovation are key values at Hatch Stamping. At Hatch, we use technology to connect our operations company-wide, from the shop floor to the top floor. The result? Finished parts that are on-spec, on-budget, and on-time.
